

A safe place for students to grow and achieve academic success.

Honesty

Being truthful in what we say and do

Positive Behavior Interventions & Support (PBIS)

At Hope Academy of West Michigan, **we focus on our values on a monthly basis to inspire students** towards bettering themselves and their community.

Accountability

Taking responsibility for your actions and the results of your actions.

Each value is focused on in detail on a monthly basis, creating a theme by which students live into our values. During our monthly PBIS Programming, students engage in HAWKS values through:

Workmanship

Giving your best effort in EVERYTHING that you do.

- Values Themed Assemblies
- HAWKS Tickets earned for promoting school values
- School Store: where students can spend their tickets!
- Guest Speakers
- Special PBIS Field Trips
- and more!!!

These values are visible throughout the school, in classrooms, and in our school messaging. We work not only to ensure that students are well-educated in academics, but also to support our scholars as they continue to grow into responsible young adults.

Kindness

Being friendly, generous, and helpful

Safety

Being protected from harm or danger.
